Expand Visitor Experience Programs

The 50s Diner: Sponsorship of the design and development of the 50s Diner on the upper level. This would be the conversion of the large kitchen breakroom on the upper level into a 50s Diner including the cost of building the counter and 50s Diner booths and all nostalgic wall coverings and checkerboard floor tile.

BEFORE	AFTER (Conceptual)
	

The Comic & Digital Art Emporium: Sponsorship of the design and building of a digital art emporium including a green screen stage, with lighting, Adobe Creative Suite workstations and training classroom on the upper level, north wing.

Museum Support Programs

Renewable Energy Programs: Sponsorship of renewable energy programs to help support museum operations by reducing overhead costs
